

**PIZZA HUT TOUR** 11 kilometers | paved

A great after-supper ride. Put down the remote and head for some fresh air.

If you're coming from out of town, park at Almonte's Old Town Hall, 14 Bridge Street. Our route heads out of town on Bridge St (south) turning left on Country Street (at the arena).

Continue on Country St until it turns 90 degrees into the Rae Road, crosses County Road 29, then to the 8th Line of Ramsay Ward (right) then back on the Old Perth Road.

A perfect route for our town council, as this ride passes our new municipal building, affectionately known locally as the Pizza Hut (the red roof is a dead give-away!).

For the hardy, you can extend the route by going out to the 7th line, or even the 6th - then heading back to town on the Old Perth Rd.

Remember as you ride down the hill and back to Almonte that we ride uphill to stay strong and downhill to stay young!
